

Public Information Meetings Scheduled

Interested in Improving Intercity Passenger Rail?

Please join the Virginia Department of Rail and Public Transportation (DRPT) for public information meetings to learn about passenger rail improvement alternatives for intercity passenger rail service between Washington, D.C. and Richmond, VA. During this meeting, the project team will present the most feasible and reasonable improvement alternatives, potential station locations, and track and safety improvements.

Why participate?

During this phase of the project, your input is critical to helping DRPT choose the alternative to carry forward for more detailed environmental and engineering studies. Providing important insight to DRPT is vital as we work to meet the needs of specific localities and the corridor as a whole.

Mark your calendar and bring a friend.

Three identical, open-house public meetings will be held from **5:00 p.m. to 7:30 p.m.** with a presentation given at **6:00 p.m.** each evening.
